Will Interest Readers of the Advertiser

Those having the misfortune to suffer from backache, urinary disorders, gravel, dropsical swellings, rheumatic pains, or other kidney and bladder disorders, will read with gratification this encouraging statement by a Norway man.

S. C. Foster, barber, Main St., Norway, Me., says: "The public statement I gave about Doan's Kidney Pills several years ago, was right in every particular. I used this remedy, getting it from Stone's Drug Store, and I am glad to say that it is the best one on the market. Sometimes when I catch cold, it settles on my kidneys, but a few doses of Doan's Kidney Pills give me relief."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Foster had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

THE WORKING MAN.
Five years ago I was so troubled with kidney trouble and inflammation of the bladder that I had to leave working my farm. Life looked dark to me until I heard of Dr. Kimball's Swamp-Root through a cured friend. I tried a bottle and began to feel better at once. After using five or six bottles I felt free and have continued to work as I had before my affliction.

I want to state that Dr. Kimball's Swamp-Root is a kidney medicine that will cure and drive away kidney trouble during the past five or six years to it.

Yours very truly,
O. W. MORRIS,
Prescott, Ark.

Subscribed and sworn to before me, this 27th day of March, 1912.
O. H. GORDON,

This is to certify that Mr. O. W. Morris has bought Swamp-Root at this store in the past.

Now in the prime of a busy and promising life he leaves his many friends mourning his departure.

Children's Column.

Dec. 1, 1913.

DEAR EDITOR:—This is my third attempt in writing for this paper. I see my letter did not go to the waste basket and the riddle I sent was answered right.

We are to have sixteen weeks of school and I have not missed a day as yet. These are my studies, geography, physiology, arithmetic, spelling, language, history, writing and singing.

Of the grammar room I am teaching the primary room where I go.

In my room we have two teachers. Their names are Miss Smith of South Waterford, also Miss Oye of Waterford. I like to go to school and I like my teachers very much. I am in the fourth grade. There are about 40 scholars.

I have two sisters, their names are Vera and Elva Rice. I also have three brothers, their names are Walter, Ralph and Guy Rice. My school will close the 12th of December. I will end with another riddle, "If you wanted to send a message, in what three ways could you send it?" Age 10.

Waterford, Maine.
BETHEL, ME., Dec. 2, 1913.

MY DEAR EDITOR:—Why don't some of the little girls and boys write for the paper? We have some snow and it came Nov. 29 in the night. Do you like a snow storm? My school closed and my teacher's name is Alice M. Kimball. She is a good teacher. And there are five scholars. And there is not going to be any school here this winter and we are glad.

I have heard from sister, Florence E. Kimball. I have some little chickens given to me and this year's hen owns them, and the chickens are cunning.

Here are some verses:

Washing Dishes for Mamma.
Little ones with white arms bare,
Say, what are you doing there?
Tell me what can be the matter?
Filled with wonder and surprise,
Little blue eyes thus replied:
"Surely you must know, papa,
Washing dishes for mamma!"

Washing dishes, little one,
Some don't think such splendid fun.
Tell me, for I want to know
Why do you enjoy it so?
"Little children like to be
Useful, papa, don't you see?
Very happy now we are,
Washing dishes for mamma."

"She has much to do you know,
And we love to help her so.
Greatest pains, indeed we take
Lest the dishes we might break;
China, glass and earthenware,
Handle with our greatest care,
True and trusty, sir, we are,
Washing dishes for mamma."

As I went away, I thought
Of the lesson they had taught;
Being useful every day,
Mamma says, as they say,
Love cannot make our labor light,
While we follow what is right.
True and trusty as they are,
Washing dishes for mamma.

So good bye,

Bald at 35

Cleanse the Scalp, Nourish the Hair, and Never Grow Bald. Use Parisian Sage.

Don't grow bald at 35 as thousands of men do—yes! and women also. Fail to keep the hair properly nourished and the scalp free from dandruff is one of the main causes of baldness.

If your hair is thinning out immediately action is necessary. Parisian Sage is just what you need to remove dandruff, stop falling hair and itching scalp and make the hair strong, beautiful and vigorous.

This delightful and refreshing hair-tonic which is now sold at drugists and toilet counters in 50 cent bottles, is rigidly guaranteed. If Parisian Sage does not give complete satisfaction Noyes Drug Store will return your money.

Parisian Sage surely supplies hair needs. The first application removes dandruff, invigorates the scalp and puts life and beauty into thin, dull and faded hair.

How to Keep Buttons.
Some housewives save all their pill and lozenge boxes to hold small buttons, and they fasten a sample button to the top of each box. This is a good plan, but not quite so good as one big box having compartments. Into one compartment put the pearl buttons, into another put the bone ones, and still another put the cloth covered buttons, and so on. It takes no more time to put a stray button into its proper compartment than to drop it into a box of miscellaneous buttons, and to find the said button when one is in a hurry is hardly a moment's work, which is quite a different proposition from getting it out of a big box filled with all sorts and conditions of buttons.

A CHECK FOR CHRISTMAS

Money is a particularly agreeable present to receive at Christmas, or any other time for that matter.

In making a present of money the form is important.

Currency (bills and silver) does not seem to be just the thing.

Gold coin is hard to get and is not convenient.

A check on your bank for the amount you desire to give is just the thing.

In order to give such a present you must have a bank account. It is worth starting an account just to be able to use checks in all your payments.

Hundreds of depositors nearby and hundreds miles away place their money here because of the strength and standing of this institution.

Over the Counter.

On a business trip to the city, a farmer decided to take home to his wife a Christmas present of a shirtwaist. Going into a store and being directed to the waist counter, he asked the lady clerk to show him some.

"What best?" asked she.

The farmer looked around quickly and answered: "I don't know, I didn't hear anything."

Appropriate—A sign in front of a butcher shop at Barking, Pa. reads: "Try Our Famous Barking Sausage."

OF GREAT USE IN BREAKING UP COLDS

Kellogg's Tasteless Castor Oil is a Thing Long Desired.

Every one knows the value of castor oil in breaking up fall and winter colds, but most people have found it too hard to take.

Kellogg's Tasteless Castor Oil does away with this only objection. It is pure, simple castor oil without taste or odor. Nothing is added; nothing good taken out.

In making castor oil tasteless, Spencer Kellogg & Sons of Buffalo have discovered a secret that had evaded others for 3,000 years.

Kellogg's Tasteless Castor Oil works better than the old evil-tasting, evil-smelling kind. It operates pleasantly, without griping, and does not upset the stomach. Children take it easily.

Do not confuse Kellogg's Tasteless Castor Oil with prepared, mixed or flavored castor oils. It is the only true, pure, tasteless kind. Sold in all drug stores, not in bulk, but in 25c and 50c sizes. The public is protected by the trade mark—a green castor leaf, bearing the signature—Kellogg's.

Made only by Spencer Kellogg & Sons, Inc., Buffalo, N. Y., refiners of vegetable oils.

To give your hair that gloss and luster and wavy silky softness, use Harmony Hair Beautifier. It takes away the dull dead look of the hair, and makes it bright—turns the stringiness to fluffiness—overcomes the oily odor and leaves a sweet, true rose-fragrance—makes the hair easier to put up neatly and easier to keep in place. It is just exactly what is named—a hair beautifier, and whether your hair is ugly now or beautiful, it will improve its appearance, and you'll be proud of and delighted with the results, or your money back. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change the color of hair nor darken gray hair.
To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure, liquid shampoo is most convenient to use, because it gives an instantaneous rich, foaming lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles with sprinkler tops. Harmony Hair beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston where the many celebrated Harmony Perfumes and Toilet Preparations are made.—F. A SUITABLE GIFT FOR EVERY STOCKING

Half of the worry in selecting gifts for the holidays is due to the difficulty of getting the right goods and the right people together. We are making an effort to reduce this worry to a minimum this year by letting the people know in advance just what our stock contains in the way of gift-goods. If you will take time to check over this advertisement it will suggest a solution for every holiday problem. We have only room to give an outline of the various lines that compose our holiday stock, but each of these general lines contains scores of gifts worthy of your attention. Our stock is a splendid one, bought early while there was best choice, and it includes many desirable items that will not be found elsewhere this year. This ample stock is now on display and we want you to see it while it is complete. It is time now to know what there is for holiday giving whether you are ready to buy or not. The brief outline below gives but a meager idea of what is really here. Come and see our goods and settle the gift problem early. Our low prices will help you to decide.

BOOKS

Books make excellent gifts, because they are equally desirable for young and old. They are treasured for a lifetime and never lose their value. Our stock includes the latest editions of all the favorite authors, besides a large variety of juvenile and gift books. Most of these books are sold for less than publishers' prices. Magazine subscriptions make good gifts and we should be glad to place subscriptions for you. Prices as low as you can secure through any agency.

CAMERAS

You cannot go amiss if you give cameras as holiday gifts. Every person you know likes pictures and likes to make them. Amateur photography is an educational diversion as well as a pleasure.
